## 1961 FORD GALAXIE EXTERIOR COLORS

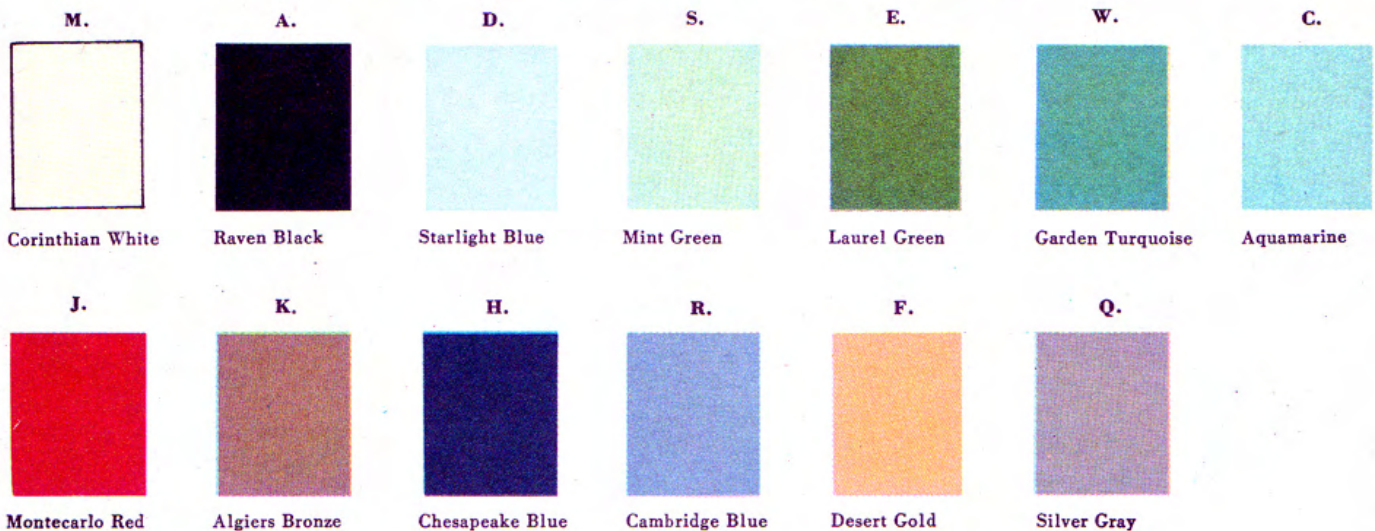

### Exterior colors

Here's the range of 13 Diamond Lustre finishes, available in single color or optional two-tone exteriors on most models. Identify-

ing letter above each color aids in choosing two-tone combinations (see Color Selector below) and upholsteries (see opposite page).

### Color guide to exterior finishes

### Two-tone Color Selector

1961 Ford optional two-tone combinations are shown below. Top letter represents roof color; letter below bar is body color. (Sunliners and

Country Squires available in single colors only.) Complementary upholsteries for each '61 Ford are shown opposite, letter-keyed to exteriors.
